

Mobile Phone Application Install

The Gale Credit Union mobile phone application is available for Android (Google) devices and for Apple devices, including smart phones and tablets.

Google Android:

<https://play.google.com/store/apps/details?id=com.gale.mobilebanking.live>

1. On your phone or tablet, go to the Google Play Store
2. Search for "Gale Credit Union"
3. Select the icon that looks like →
4. Download and Install the App
5. You are all set, enjoy.

Apple:

<https://apps.apple.com/us/app/gale-cu/id1543775831>

1. On your phone or tablet, go to the Apple Store
2. Search for "Gale Credit Union"
3. Select the icon that looks like →
4. Download and Install the App
5. You are all set, enjoy.

Once you have your mobile app installed, you may enroll or enter the Online Home Banking with the same credentials that you use on your personal computer.

Increase your security by setting up a fingerprint or facial recognition secure login! The safest way and the easiest way to gain access to your accounts.

Check out our Bill Pay service too!
