As we keep growing, there are just a few new faces can be found at Gale Credit Union. To start the year, we welcome Ketra and Josie.

We have been blessed with having wonderful staff. Yes, occasionally staff have changes in their life that causes them to leave, but that opens up new opportunities for other staff to expand their careers.

We have also increased the number of staff once again as we prepare for new things this coming year. Thank you in advance for your patience as we continue to train the new staff.
